Beauty

Ask your Education Consultant to put together a bespoke package for you or your team.
In an industry founded on looking and feeling your most youthful and beautiful, the thought of illness or disability is rarely associated with those people who work in our industry. But once in a while someone will need help and this is where HABB comes in. They receive over 300 applications every year, and can always be relied upon to help those who need it most.

Since 1853, The Hair and Beauty Benevolent (HABB) has been offering help and support to individuals and their families.

Donations and support are vital for HABB to do their amazing work — this is why as a team, L’ORÉAL PROFESSIONNEL is dedicated to helping.

HOW ARE WE HELPING?

• L’Oréal Professionnel is proud to support HABB through sponsorship — but we wanted to do more.
• Our Education team will also be doing a charity hair day on 24th June 2016 to do the hair of our colleagues and all donations for the hair will be donated to HABB.
• CAN YOUR SALON MAKE 24TH JUNE 2016 THE DAY YOUR TEAM RAISED MONEY TO SUPPORT HABB?

We would love it if your salon could also do something on this date to create a National HABB Fundraising Day. Maybe run a raffle, or donate a percentage from your clients or anything that can help raise money for HABB — no matter how small it all helps.

If you would like to get involved on this date, from March 2016 Fundraising Kits can be downloaded from www.habb.org which will have some ideas on what you could do and also everything you need to raise money and donate to HABB. Please speak to your L’Oréal Professionnel Account Manager or Technical Consultant to get your kit and find out more.
